Nestling within a lush mature habitat just off the prestigious Upper Malone Road. Locally renowned architect Thomas O'Hare (featured on Grand Designs) has created a truly enticing new development of contemporary family homes.

Life at Malone Ridge will encompass all essential ingredients of modern day living whilst carefully optimising space through interior design, natural light and technology.

In these harsh economic times environmentally friendly living and energy awareness all come as standard with a home at Malone Ridge.

The development provides a mixture of detached and semi-detached modern homes with four or five bedrooms and generous reception accommodation. Each home will provide thoughtfully planned interior layouts designed to compliment their individual plot with direct access to the mature gardens enhanced by sensitive planting schemes.

Utilising many distinctive natural materials these luxurious homes are within a short walk of Public transport, convenience shopping and The Barnetts Demesne leading to miles of enjoyment of the Lagan Valley Regional Parklands and Towpath. Also close to hand for recreational enjoyment are Malone, Dunmurry and Balmoral Golf Clubs.
